

The Endoscopy Center, PLLC
PATIENTS' RIGHTS AND RESPONSIBILITIES

YOU HAVE CERTAIN RIGHTS

1. You have the right to be treated with respect, consideration, and dignity.
2. You have the right to high-quality medical care delivered in a safe, timely, efficient, and cost-effective manner and the right to be assured that the expected results can be reasonably anticipated.
3. You have the right to privacy to the extent possible.
4. You have the right to have your disclosures and records treated confidentially and, except when required by law, those disclosures and records will not be released without your approval.
5. You have the right to be provided, to the degree known, complete information concerning your diagnosis, evaluation, treatment, and prognosis.
6. You have the right to copies of your medical records at a nominal cost and, if you request it, those records will be transferred to another practitioner in a timely manner.
7. You have the right to be informed of all reasonable options or alternatives for care and/or treatment, and of the potential advantages and disadvantages of each. You have the right to be informed of the advantages or disadvantages and alternatives to having the procedure performed in the office facility or other outpatient facility.
8. You have the right to participate in decisions regarding all aspects of your care.
9. No procedure or treatment will be undertaken without your informed consent after the alternatives mentioned in # 7 above, have been discussed with you.
10. You have the right to refuse any diagnostic procedure or treatment and to be advised of the likely medical consequences of such refusal.
11. You have the right to know all your rights as outlined above.
12. You have the right to know the conduct expected of you in the Center and the consequences of failure to comply with these expectations.
13. You have the right to know the services available at the Center.
14. You have the right to know the provisions for after-hours and emergency care.
15. You have the right to know if any of the planned procedures or treatments are part of a research study and the right to refuse to participate in that study.
16. You have the right to know whether or not your providers are insured.
17. You have the right to know how to go about expressing suggestions to the Center and the policies regarding grievance procedures and external appeals in the event that you are dissatisfied with your treatment.
18. You have the right to know the name of your provider(s) and the right to change providers.
19. You have the right to know what fees are expected and what the payment policies are.
20. You have the right to know what your provider's credentials are.

YOU ALSO HAVE CERTAIN RESPONSIBILITIES

1. You have the responsibility to accurately and completely provide all clinical personnel with the health information needed, including any medications you are taking.
2. You have the responsibility to follow the directions of the practitioner with regard to diet and/or medication.
3. You have the responsibility to abstain from using any drugs that have not been prescribed for you and that you have not revealed to your practitioner.
4. You have the responsibility to abstain from the use of alcohol as directed by your practitioner.
5. You have the responsibility to inform your practitioner if you do not understand any directions or you do not understand the course of treatment planned for you.
6. You have the responsibility to timely pay all medical bills which are not in dispute and to forward to us any monies you receive from any insurance company for our services.
