## JOIN LIKE MINDED PHYSICIANS BENEFITING FROM THE GASTRO HEALTH PLATFORM

"As a relatively large group, we were initially reluctant to join Gastro Health. But since joining, we've been extremely satisfied. When you have economies of scale, you don't only benefit financially but your practice is significantly enhanced through the expertise of management, centralized support functions, and best-in-class technology."

**Miles Gresham, MD**  
Birmingham, AL - Joined April 2019

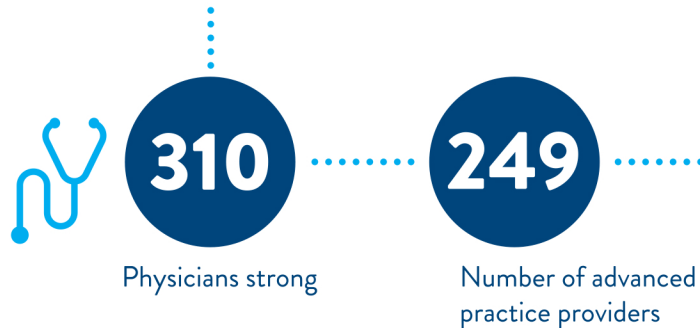

"It was clear to us that partnering with Gastro Health would elevate our practice to expand the care we provide to the communities we serve. This relationship helps us significantly further our mission to improve efficiency, drive growth, and bring innovative solutions to our patients."

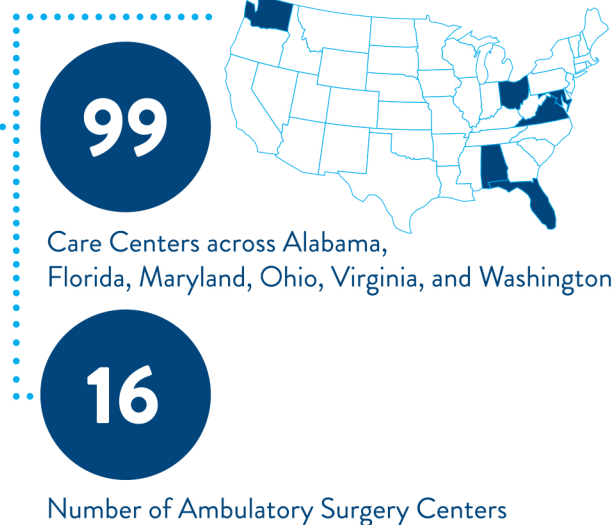

**Kester Crosse, MD**  
Greater Baltimore, MD - Joined March 2021
